

VOLUME FORTY-ONE

\$20,000 SUIT IS FILED AGAINST CITY THURSDAY

**SIMPSON A. HIRT ALLEGES CITY
CESSPOOL INJURIOUS TO
HEALTH AND PROPERTY**

FAULT CONSTRUCTED IN 1914
Illeges Overflow From Cesspool
Creates Odor Which Makes Land
Unfit for Subdivision

Greencastle city was defendant Thursday in a \$20,000 damage suit filed in the Putnam circuit court by Simpson A. Hirt, living a short distance west of the city. Kivett & Kivett of Martinsville are attorneys for Hirt in the action.

Hirt in his complaint alleges that the city cesspool and overflow basin, which is constructed near the property, are such as to injure the health and comfort of persons living upon land owned by him and have rendered the entire tract unfit for residential purposes. Hirt alleges that the value of the lands and improvements thereon which adjoin the cesspool have been damaged in the sum of \$20,000.

The suit alleges that the city in 1914 acquired control of a tract of land consisting of one-half acre abutting upon the east side of plaintiff's land and between the highway which forms the north boundary of his land and a water course to the south, upon which it constructed a cesspool into which the sewage of the city is discharged.

It is alleged that overflow from the vault spreads out in a depression immediately south of the pool and part of it passes into a natural water course and upon and across plaintiff's land.

It is alleged the overflow renders the stream unfit for watering of stock and the odor makes the land unfit for subdivision purposes.

S. Masterson Kiwanis Speaker

**INDIANA FARM BUREAU HEAD
HEARD WITH INTEREST AT
WEEKLY LUNCHEON**

C. S. Masterson was the chief speaker at the weekly luncheon Thursday of the Kiwanis club. He is president of the Indiana Farm Bureau and spoke on the present condition of agriculture. Mr. Masterson outlined the condition of the surplus crops and their connection to the supply of gold in all countries, whether the gold standard or not.

Mr. Masterson said the condition of agriculture had improved since the last of the year. He said the present surplus crops must be taken care of by the government and showed how banks in aiding agriculture have loaned one dollar out of each seven deposited. The wheat control plan also being carried on to rid the country of surplus crops. He outlined the two paramount present needs as a demand for goods and confidence.

Among the delegates from the local club attending the state meeting at Indianapolis are Marshall D. Grams, Glen Lyon, O. W. Hollowell and W. J. Krider.

ATTENDS FUNERAL

Dr. G. Bromley Oxman and Dr. Henry B. Longden attended the funeral Thursday afternoon of William Parrett, publisher of the Commercial-News at Danville, Ill. Mr. Parrett, a partner of the late John H. Harrison, DePauw benefactor, died suddenly in Chicago of heart disease. He was one of the executors of Mr. Harrison's estate.

According to the Commercial-News Mr. Parrett went to Chicago early last Sunday morning on a business trip and apparently in his usual health when he ate lunch Monday at his club. Following the luncheon he sat down in the lounge and dozed to sleep.

When he awakened he felt a numbness in his feet and face and retired to his room after asking the desk clerk to call a physician. His condition was not considered serious. Later it was believed he had suffered a cerebral hemorrhage and the physicians became alarmed at the change in his condition. Mrs. Parrett was immediately notified at Danville and went to Chicago.

Mr. Parrett was conscious up to the time of his death and shortly before the end came he told Mrs. Parrett he

would be all right by morning and they would return to Danville. Just before the end he attempted to say something to Mrs. Parrett but was unable to make himself understood.

Along with Mr. Parrett, Roy O. West and Col. G. T. Buckingham of Chicago were executors of the Harrison estate which left DePauw \$250,000 for a new building and made the university residuary legatee in an estate valued at more than one million dollars.

120 HAVE APPLIED FOR OLD AGE PENSIONS HERE

Members of the board of county commissioners probably will consider at their October meeting a part of the 120 applications for old age pensions which have been filed with County Auditor W. A. Cooper. Under a new state law indigent persons over 70 years of age who can qualify are entitled to a pension of \$15 a month, half of which is paid by the county. Due to the numerous requirements which the applicants must fulfill it is believed that many of those applying will be unable to qualify for a pension.

Receive State Fair Ribbons

**FOUR PUTNAM COUNTY 4-H
GIRLS AWARDED RIBBONS
FOR EXHIBITS**

Ribbons won by four Putnam county 4-H club girls at the Indiana State Fair this year were received Thursday morning by County Agent E. W. Baker. The girls who placed and their exhibits were as follows:

Marjorie South, Bainbridge, pickles, fourth; Parker House rolls, fourth. Lucile White, 313 Sycamore street, Greencastle, wool school dress, sixth. Virginia Dean, Greencastle, Parker house rolls, second, and Angel food cake, third. Margaret Johnston, Greencastle, Clover rolls, third.

A letter from May A. Masten, assistant state club leader, which accompanied the ribbons, announced that 1,077 girls from 74 counties made 1,735 entries and that 56 counties received 600 awards.

Miss Masten stated that the exhibits were unusually fine this year and a girl receiving a ribbon of any kind can be assured that her work was of high quality.

The four girls who won ribbons from this county had a total of 94 exhibits at the fair.

SENATOR HIRAM JOHNSON MAY CHANGE POLITICS

SACRAMENTO, Cal., Sept. 14, (UP)—Senator Hiram Johnson was cordial but cautious today in answering an invitation to bolt the Republican party and run for re-election as the Democratic senatorial candidate in California next year.

The United Press learned undisputedly that a prominent northern California Democrat acted with full knowledge of other Democratic leaders including Williams Gibbs McAdams in inviting the progressive Republican firebrand to become a Democrat.

The letter in tactful but firm words declared that if Johnson refused the invitation, the Democratic party would be compelled to run its own candidate.

Gasoline Money To Retire Bonds

**WILL BE USED BY GIBSON
COUNTY WITH STATE
APPROVAL**

Following a report by S. G. Marshall, auditor of Gibson county, that he has received instructions from the state board that gasoline tax money may be used to pay road bonds and interest, the county commissioners of that county have agreed to use approximately \$52,000 of gasoline tax funds in 1934 to retire county unit road bonds and interest.

As a result of this action the Gibson county commissioners were enabled to cut in two the 59-cent levy for county unit road bonds and interest payment next year.

Similar action was taken by the Putnam county commissioners last year when they set aside \$62,000 in gasoline tax funds for the retirement of county unit and township road bonds but the money was never paid out by the county auditor pending a suit in circuit court in which road material interests are opposing use of the gas tax money for any other purpose than the building and maintenance of roads and bridges.

PICNIC PLANS ARE COMPLETED BY DEMOCRATS

**ALL DAY GATHERING SUNDAY
AT STOCKWELL GROVE
SOUTH OF HERE**

GOOD SPEAKERS SECURED

**Picnic Sponsored By Young Democratic Club Of Putnam County.
Big Crowd Expected.**

The Democrats of Putnam county have completed plans for their big picnic to be held all day Sunday at Stockwell grove on State Highway 43, one mile south of the National road. The gathering is being sponsored by the Young Democratic Club and a large crowd is expected.

Several good speakers have been secured for the occasion as one of the main features. This group includes Clifford Townsend, lieutenant-governor; R. Earl Peters, state chairman; Judge Smith of the Indiana Appellate court, and Pat Smith, member of the DePauw university faculty.

Entertainment for the entire day is assured by the committee in charge. Refreshments will be furnished by the Cloverdale post of the American Legion. No admission will be charged and all attending will find adequate parking space for their automobiles. The picnic is scheduled to start at 10 a. m. and festivities will end at 5 o'clock Sunday afternoon.

ORDERS BEER INSPECTORS ENFORCE SEATING CLAUSE

Paul Fry, state excise director, yesterday instructed his inspectors to enforce provisions of the liquor control law that requires establishments that serve beer to have a seating capacity of 25 persons or more.

The inspectors also were instructed to enforce a provision preventing the erection of screens to hide bars.

Nazi Propaganda Campaign Planned

**GIGANTIC INTERNAL DRIVE TO
BE ANSWER TO FOREIGN
CRITICISM**

BERLIN, Sept. 14, (UP) — The Nazi government's answer to foreign criticism will be a gigantic internal propaganda campaign designed to solidify national spirit, it was revealed today.

Plans call for 150,000 public meetings within two months. Chancellor Adolf Hitler will lead the campaign. Every Nazi in high government office will be required to make 15 speeches and those not in the government, 25.

The campaign will begin October 1. Joseph Goebbels, minister of propaganda, announced the plan at a meeting of Nazis.

Goebbels, in discussing the campaign said that it would serve "to re-establish living contact between the party and the nation."

"The party shall ever be conscious that it is the vehicle of our party," he said. "Tasks of giant size await."

ROOSEVELT PLANS TO DROP 50 ARMY POSTS, ENLARGE 50

WASHINGTON, Sept. 14—Around a nucleus of 50 permanent army camps, to be improved and expanded through an allotment of \$50,000,000, President Roosevelt today planned a redistribution and solidification of the United States' land forces.

The president let it be known that his projected consolidation will mean that at least 50 and probably more existing army posts would be crossed from the lists and abandoned. Troops at these stations would be shifted elsewhere.

Strong protests from every section of the country at the closing of any army posts were foreseen by the chief executive's political advisers immediately after the decree.

Such a flurry of objections attended an announcement in 1931 by the then secretary of war, Patrick J. Hurley, that 53 army posts were to be abolished that only five stations on the list were crossed off.

Names of the stations to be abandoned under the present consolidation, however, were guarded both at the White House and the war department. High commanders of the army said no list could be given out until details of the program were completed.

TOWNSHIP CANNOT ORGANIZE UNLESS IT HAS 10 APPLICANTS

It was announced Thursday that townships cannot have their separate wheat control organizations unless there are ten or more applicants for wheat allotment contracts from each of the townships. Townships with less than ten applicants must combine with an adjoining township, County Agent E. W. Baker stated.

Time for applying for contracts has been extended until Sept. 25 but organization meetings will be held in the townships sooner than that date. To have a vote in the township organization farmers must apply before Sept. 16.

A new schedule of township meetings will be held in the county within a few days, Baker announced.

Charles Sharp Dies Suddenly

**HEART ATTACK FATAL TO WELL
KNOWN LIME DALE
RESIDENT**

Charles Sharp, age 53 years, passed away suddenly Wednesday evening at 8:30 o'clock at his home in Lime Dale. Death was due to an attack of heart disease.

The deceased is survived by the widow, Mrs. Minnie Sharp, a sister, Mrs. Charles Sanford of Lime Dale, and a brother, Walter Sharp of Mattoon, Ill.

Funeral services will be held Friday afternoon at 2:30 o'clock from the residence at Lime Dale. The Rev. Robert T. Beck will be in charge. The I. O. O. F. lodge will give its ritualistic service. Interment will be in Forest Hill cemetery.

INDIANAPOLIS LIVESTOCK

Hogs 11,000 including 6,000 pigs; holdovers 502; market 15 to 25c higher; 140 to 160 lbs. \$4 to \$4.25; 160 to 200 lbs. \$4.55 to \$4.65; 200 to 250 lbs. \$4.65 to \$4.70; 250 to 300 lbs. \$4.35 to \$4.60; packing sows \$3.25 to \$3.50. Cattle 700; steady; calves 600, \$7.50 down; bulls \$4.50 to \$5.85; heifers \$4.25 to \$6; cows \$2.25 to \$3.25; low cutters \$2.25 to \$2.55; vealers steady, \$7.50 down, top \$8. Sheep 1,800; steady; bulk ewe and weather lambs \$7 to \$7.75; bucks \$6.50 down; throwouts \$3.50.

Hospital Fund Drive Announced

**CAMPAIGN TO RAISE \$3,000,000
STARTED BY M. E. HOSPITAL
ASSOCIATION**

INDIANAPOLIS, Sept. 14 (UP)—A "new deal in philanthropy" campaign to raise \$3,000,000 in five years was announced today by Methodist Hospital Association of Indiana.

Its hospitals are in Princeton, Gary, Fort Wayne and Indianapolis. According to Dr. John G. Benson, superintendent of the hospital here and executive secretary of the association, the campaign purposes are five-fold:

To place hospital privileges within reach of the average person; a new interpretation of Christian hospitalization; new support of Christian hospitals by humanitarianism; a department for incurables, and to remove all indebtedness on the four hospitals to provide service at lowest cost.

Among subscription methods will be service bonds entitling holders to hospital service in return for the contribution; life annuity contracts with income, and gifts by wills.

General committee members include Edgar Blake, Jr., and C. R. Kuss, Gary; E. L. Morgan, Chesterton, and the Rev. E. T. Franklin, the Rev. F. F. Thornburg, and O. U. King, all of Fort Wayne.

J. I. Holcomb, Indianapolis, is executive chairman. District superintendents of the church in Indiana are vice chairmen.

20 Years Ago IN GREENCASTLE

William McBride and Miss Ella Bowman were the guests of Miss Myrtle Cahill in Lena.

Reuben Masten of Fillmore transacted business in the city.

Mr. and Mrs. Ralph Etter visited relatives in Monrovia.

Charles McGaughey was here from Roachdale.

Donald McLean is visiting relatives in Chicago.

William McMurray spent the day in Brazil.

NRA STUDIES INDUSTRIAL, RETAIL COST

**WILL FORM BASIS IN PROBLEM
OF CONTROLLING
PRICES**

ROPER HEADS COMMITTEE

Secretary Of Commerce Heads National Recovery Act Investigation Board

WASHINGTON, Sept. 14, (UP)—A new study of industrial and retail costs was started by the recovery administration today to provide the basis of a decision on the problem of controlling prices.

The study was undertaken through a committee named by the industrial recovery board, headed by Secretary of Commerce Roper. Its objective is to find a basic rule for determining costs of production and merchandising so a uniform procedure may be followed.

The master retail code with its price fixing provisions is approaching action by the administration. It is agreed by officials that more definite attention to the price question is essential. The retail code is now before the NRA advisory boards. It may bring more discussion before the consumers board which is protesting price fixing measures, agrees to its terms.

The consumers board opposes price fixing except in basic industries such as oil, and then only with safeguards. The board fears general price fixing would mean too high prices for consumers.

The price fixing provisions in the retail code have stated that minimum prices must be a certain per cent above cost. The percentage has varied during different phases of the negotiations but at present is understood to be 10 per cent.

NRA Praised By Kiwanis Speaker

**KIWANIANS AT STATE CONVENTION
HEAR ASSISTANT POST-MASTER GENERAL**

INDIANAPOLIS, Sept. 14, (UP)—The recovery program and the administration's re-employment plans have put 2,000,000 men back to work, sending business upward, Ambrose O'Connell, Washington, special assistant to Postmaster General Farley and assistant treasurer of the Democratic national committee, told the Indiana Kiwanis convention today.

Answering criticism of coercion in enlisting NRA support, he said that force is probably not necessary because desperate men and women, will hunt anyone into cooperation.

He urged cooperation with the September purchasing program. Merchants advancing prices out of range of current wages to take advantage of the program will "kill the goose that laid the golden egg," O'Connell warned.

"The bulk of the buying power of the American public lies with the people who earn \$1,800 a year or less, and if this war on depression is won, it will be won, as usual, by the support of the general public," he declared.

The annual state Kiwanis election will be held today at the concluding business session. Invitation for the 1934 convention also were to be received.

Maj. Norman A. Imrie, Culver Military Academy, addressing the annual banquet last night, emphasized the values of education. Gov. and Mrs. Paul V. McNutt were guests.

STATE LIQUOR REGULATIONS

INDIANAPOLIS, Sept. 14, (UP)—Regulations governing the sale of liquor in Indiana after the 18th amendment is repealed were being drawn today under direction of Paul P. Fry, state excise director, and Atty. Gen. Phillip Lutz, Jr.

"We are not quite ready to make a public statement," Lutz said, "but we soon will have an answer for persons wishing to know how whisky may be sold."

It appears almost certain that one of the regulations will prohibit the sale of whisky and beer in the same establishments.

Gov. Paul V. McNutt is strongly against any plan which might permit the return of the old saloon. Fry is said to be in accord with the governor's wishes on this particular point.

PRESIDENT ROOSEVELT TO ADDRESS WAR VETERANS

INDIANAPOLIS, Sept. 14, (UP)—President Roosevelt will address the national American Legion convention at Chicago on the opening day, Oct. 2, it was announced today at national headquarters.

On the following day the president will review the annual legion parade, it was said.

It was also revealed at national headquarters that Miami, Fla., is making a strenuous effort to land the 1934 convention.

THE WEATHER

Cloudy, cooler south, probably showers east and extreme south portions tonight; Friday partly cloudy, warmer extreme north, cooler

Holiday Declared By 30,000 Miners

**VOTE TO WAIT UNTIL AN
AGREEMENT IS REACHED ON
NRA COAL CODE**

WASHINGTON, Sept. 14, (UP)—Bituminous coal operators representing about 90 per cent of the industry today agreed upon a code and arranged to present it within a few hours to the NRA.

The operators' code was to be studied by administration officials in an effort to reach an agreement that would be satisfactory to operators, labor representatives and the NRA.

PRICEDALE, Pa., Sept. 14.—Representatives of more than 30,000 miners in southwestern Pennsylvania's great bituminous coal belt voted yesterday to take a "holiday" until an agreement is reached on the coal code.

Meeting in Hungarian hall, 250 delegates representing 84 United Mine Workers locals in Fayette, Westmoreland, Greene, Washington and Allegheny counties, decided noisily and solidly to remain out of the pits.

The decision was cheered wildly by a throng of 3,500 milling about the hall and then the men marched to Gaul's field a half mile away for a mass meeting.

Already 20,000 miners have laid down their tools and leaders of the "holiday" movement predicted last night that virtually every mine in the district will be closed.

Reese Triggs, president of the Pricedale local, presided over the meeting and the principal speech was made by William Hines, a district organizer for the United Mine Workers of America.

The sentiment was overwhelmingly in favor of a walkout, but the men said they would return to their homes peacefully and await developments in Washington, where operators and union heads are attempting to negotiate a code under the watchful eye of the blue eagle.

Picket lines formed at numerous mines in Fayette county last night. There were several lines near Carmichaels and others in the Star Junction district. The picketing was peaceful, however, and cars were not stopped.

3 Fugitives Are Killed, 3 Held

**LOUISIANA POSSES ON TRAIL
OF FIVE OTHERS WHO FLED
PRISON CAMP SUNDAY**

MARKSVILLE, La., Sept. 14, (UP)—Possemen have killed three fugitive desperadoes and captured three others in their man hunt for 11 convicts who shot their way out of Angola prison farm Sunday.

The search was continued over a wide area for the five prisoners still at large.

The fugitives taken alive face the death penalty, authorities said, for their part in Sunday's bloody break in which three guards and a convict were slain.

The men captured today at Brouillette settlement near here surrendered after a brief and bloodless gun battle. The three—James Bird, William Bryant and James Dear—were brought to jail here.

Another posse flushed a band of the fugitives near Saline Point and in a pitched battle shot to death two of them, identified as John Anderson and Pat Ryan. A third, James A. Russell, died in a hospital here from a shotgun wound in the chest.

No casualties were reported among the officers and possemen.

The fugitives were armed with rifles and pistols seized from the prison gun rack as they rioted during a baseball game Sunday.

ORDERS FULL PROTECTION OF AMERICANS

**EXPRESS CONCERN LEST PRES-
ENT TROUBLE LEAD TO
RACE WAR**

1200 U. S. CITIZENS ON ISLAND

**President Ramon Grau San Martin
to Distribute Undeveloped Lands
to Striking Peasants**

HAVANA, Sept. 14, (UP) — Col. Fulgencio Batista, army chief of staff, sent strict orders to all provincial troops today to safeguard 1,200 Americans scattered throughout the island, 750 in zones affected by strikes.

President Ramon Grau San Martin and his cabinet, trying desperately to restore normal conditions and avert any necessity for American intervention, met until 1:45 a. m. today.

They considered immediate application of land reforms, planning to distribute uncultivated national lands among the hungry peasants, particularly in Oriente province.

Oriente is a danger spot. A race war there caused the last landing of marines in 1912. It was quickly suppressed by Cuban troops.

American residents of Cardenas, in Matanzas state, have expressed concern lest the present turbulent conditions lead to race trouble.

Land reforms would go a long way toward pacifying the workers in the interior where strikes led first to the fall of Gerardo Machado and now cause worry for Americans and other foreigners in the interior.

Workers all over the island have taken advantage of conditions to continue strikes in hope of obtaining better pay. American interests assert they are unable to pay more wages, particularly to sugar workers in the areas which are most dangerous.

The cabinet planned, probably today, to take one step toward restoring normalcy—to promulgate a set of carefully worked-out provisional statutes, giving it broad powers. These would be the organic law until the present transitional government was changed into a constitutional one. Technically there is no constitution at present. President Carlos Manuel De Cespedes, deposed September 5, cancelled the Machadista 1928 constitution, and the present government cancelled the 1901 constitution to which Cespedes had reverted.

Concerned primarily with consolidating his own power, the present government never has forgotten the possibility of American intervention.

Likewise, the officers encamped at the National hotel emphatically repeated that their main reason for remaining quiet is that they want no action that might justify intervention.

American Ambassador Sumner Welles can only watch developments and keep in close touch with his consular officers in the provinces. He has no relations with the government and regards himself an observer. He receives frequent visits from members of the opposition.

The situation was quiet but dangerous, with the government not sufficiently strong to settle strikes and pacify the peasantry.

The army officers encamped at the National hotel, demanding the return of the Cespedes government, announced again today that they did not plan to resort to violence. The officers have the hotel to themselves except for five Americans and two Cuban hotel officials, the employees being on strike. All other American guests moved to other hotels.

EPIDEMIC PASSES CREST

ST. LOUIS, Sept. 14.—The possibility that the sleeping sickness epidemic may have passed its crest in St. Louis county, its point of origin, was noted by experts here today.

Only a dozen county patients were reported in the last 24 hours, while the city reported 25.

Fatalities stood yesterday at 138 and the number of cases at 799.

SHORTAGE REPORTED

CROWN POINT, Ind., Sept. 14 — (UP)—An alleged shortage of \$4,703 in the accounts of Earl Crawford, city treasurer who resigned two weeks ago, was reported here today by the state Board of Accounts.

Reports of field examiners John N. Louig and Orville E. Pressler charged that the municipal bond fund was shy \$1,430, and that the Barrett law fund collection was \$3,273 short.

"True "Miss America"

Hailed as the true Miss America "Woman Living Under the Earth," better known as Lucy Miner (above), was chosen queen of all the Indian

maidens in a beauty contest conducted at the American Indian village at the World's Fair in Chicago. Miss Miner is a member of the Winnebago tribe from the Wisconsin Dells.

NOTICE OF ADMINISTRATION

Notice is hereby given that the undersigned has been appointed by the Judge of the Circuit Court of Putnam County, State of Indiana, Administrator of the estate of James L. Miller late of Putnam County, deceased.

Said estate is supposed to be solvent.

Harley E. Miller, Administrator.

September 14, 1933.

Attorney F. S. Hamilton.

No. 7563.

John W. Herod, Clerk of the Putnam Circuit Court.

LOADED FORD V-8 TRUCK

"Red Freighter"

Started 5000 Mile Test Run Today

This Fact Finding Run of a Standard Ford Stake Truck taken from stock, is sponsored by Indianapolis Branch Ford Dealers. A load of 2½ tons will be carried at all times at a speed of 40 miles an hour. The oil and gas and radiator caps are sealed and locked. Only official persons will be permitted to replenish the fuel, oil and water. Watch for the "Red Freighter".

It will be in Greencastle, Thursday, September 21 At Noon Hour.

Ford V-8 Trucks and commercial cars are setting a new pace in every field of commercial transportation. Owners everywhere are reporting amazing performance. They are getting power, speed and dependability beyond their most optimistic expectations — and fuel and oil costs which set new low records.

This is a matter which concerns every man and every business seeking the most efficient transportation at the lowest possible cost. To bring the real story of the Ford V-8 home to truck operators in this locality, the "Red Freighter" is starting this Fact Finding run.

PERSONAL AND LOCAL NEWS

The Christian church choir will practice tonight at 7:30 o'clock.

Choir rehearsal will be held at the First Baptist church this evening at 8:30 o'clock. Prayer meeting will be held at 7:30 o'clock. First chapter of Titus will be studied.

Two automobiles collided at the intersection of Jackson and Walnut streets Thursday afternoon, but no one was injured and the cars were not badly damaged.

Mr. and Mrs. J. C. Oakley and daughter Miss Gertrude Oakley, who have been residing at 7 west Seminary street, have moved to their farm on state road 43, south of Greencastle.

Roy E. Jones, county superintendent of schools and several trustees of Putnam county, were in Danville Thursday where they attended a meeting of the Trustees' Association of the Sixth district.

Harley E. Miller of Bainbridge was appointed administrator of the estate of his late father, James R. Miller, in circuit court Thursday. The deceased left an estate valued at \$6,000 and the widow and three sons as heirs.

Ezra Cooper of Putnamville has received word of the death of his sister, Mrs. Mollie Hepler, who died Wednesday morning at her home in Milford, Oregon. Mrs. Hepler was a former resident of Greencastle.

City firemen made a run to Berry street about 6 o'clock Wednesday evening when a car said to belong to Wesley Custum, Commercial Place, caught fire. Damage to the car was confined to the wiring, it was reported.

A barn on an Aetna Life Insurance company farm near New Maysville was reported destroyed by fire about 8 o'clock Wednesday evening when struck by lightning. The fire was reported visible for several miles. The amount of the loss was not learned.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning

If you feel sour and sunk and the world looks pink, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you so dainty, sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You have a thick, bad taste and your breath is foul. Skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't take for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Recent substitute. 25c at drug stores. © 1931 C. M. Co.

S. A. Hays is confined to his home on Anderson street by illness.

Mayor W. L. Denman was in Indianapolis Thursday attending the state Kiwanis convention.

Mrs. John P. Allee, west Walnut street suffered a fracture of the left shoulder, when she fell at her home Thursday morning.

Francis Moran, North Jackson street, underwent an appendix operation, Thursday morning at the St. Vincent hospital in Indianapolis.

Mr. and Mrs. E. M. Darnell of Denver, Colorado and Mrs. Aaron Eberle of Springfield, Illinois spent Wednesday with Mr. and Mrs. M. L. Dyer.

Donald Hall of Rosedale was reported in a very serious condition Thursday at the county hospital following an operation for a ruptured appendix.

Andrew Stoner of Madison township who was accidentally shot in the leg Wednesday morning was reported recovering at the county hospital Thursday afternoon.

Mrs. Emma O'Hair, 816 south College avenue, has received a card from Mrs. Margaret Cash, a former resident of this city, now living at Laferia, Tex., in which Mrs. Cash reports that no one in that vicinity was killed in the recent storm that swept that territory.

Wire Flashes

WASHINGTON, Sept. 14 (UP)—President Roosevelt took personal charge of the coal code situation today, indicating that he feels the time has come for definite action to break the long impasse marked by strike disorders and union disputes.

INDIANAPOLIS, Ind. Sept. 14 (UP)—Walter I. Fegan, South Bend, was elected Indiana District Governor of Kiwanis clubs today at the annual convention here. He succeeds Paul McKee, Hartford City.

PICKETS BATTLE FARMERS HARVARD, Ill., Sept. 14, (UP)—Approximately 500 men engaged in a pitched battle today between farm pickets seeking to prevent the marketing of milk and farmers who wanted to sell their product.

The battle broke about the Bowman dairy plant here shortly before noon. Two men were reported injured in the fight which started when D. T. Smiley ordered a tenant on his farm to drive through the picket lines with a load of milk for delivery at the plant.

Marengo was the only point in McHenry county where milk deliveries were made today in a supply reported to be normal.

LITTLE LADY OF PHILA.

BEMOANS GOOD OLD DAYS PHILADELPHIA, (UP)—In her little ancient house, which once sheltered Joseph Bonaparte, and surrounded by her ancient furniture and bric-a-brac, Mrs. Henrietta Potter James, 80, who can trace her ancestry back to William the Conqueror, clucks her teeth at modern society and laments the "good old Seventies."

"The City of Brotherly Love?" she scoffed. "It's the City of Thieves. If you have anything the city wants, you might as well make them a present of it."

The Civil War and the World War ruined Philadelphia, Mrs. James declared. Today's society is a joke compared to that of the '70s, and the old families are marrying beneath them, she maintained.

The house in which Mrs. James lives has been in her family's possession for 125 years. Napoleon's brother lived in it two years.

ROBBER RIFLES FILES

MADERA, Cal., (UP)—Contempt of court and burglary charges today faced a robber who rifled the files of Justice of the Peace L. E. Bailey, in the courthouse, and took \$11 in city and county funds.

SOCIETY**Entertained With Dinner-Bridge Party**

Mr. and Mrs. E. B. Taylor, east Washington street, entertained a number of friends with a dinner and bridge party Wednesday evening in honor of Mr. and Mrs. Edward N. Wendall of Madrid, Spain. Mrs. Wendall is a daughter of Mr. and Mrs. Taylor. They expect to remain here for a visit until October 1.

Bride-Elect Honored**With Kitchen Shower**

Miss Geneva Brown, assisted by her mother, Mrs. L. C. Brown, entertained with a bridge party and kitchen shower Wednesday evening in honor of Miss Irene Mundy whose marriage to Harold Duncan will take place the latter part of this month.

Miss Julia Werneke and Mrs. John Etter held high scores.

Other guests included the Misses Julia Werneke, Helen Werneke, Martha Shannon, Ardith Moore, Helen Johnson, Juliana Gardner, Elizabeth Faye, Elizabeth Pruitt, Mary O'Rear, Mary Louise Moffett and Mrs. John Etter.

Mrs. Sweeney Hostess**To Veronica Club**

The regular meeting of the Veronica club was held Wednesday afternoon with Mrs. Andrew Sweeney. Mrs. Paul Allen, who had charge of the program, read an interesting paper on Clermont School for Girls. A general discussion followed.

Eleven members were present.

Coterie to Meet Friday

The Coterie will meet with Miss Etta Adams, 725 east Washington street, Friday evening at 7:30 o'clock.

Mrs. Gautier Hostess**To Woman's Circle**

The Woman's Circle of the Presbyterian church met with Mrs. C. C. Gautier Wednesday afternoon for the first meeting following the summer recess.

The afternoon was spent in sewing. During the social hour the hostess, assisted by Mrs. C. G. Jordan, served refreshments in the flower garden.

Jefferson P. T. A.**To Meet Friday**

The Jefferson township P. T. A. will hold a called meeting Friday, Sept. 15. Everyone is invited to attend.

Entertained Relatives With Dinner

Mr. and Mrs. W. F. Mayhall and granddaughter Phyllis Ann Winings, Dr. and Mrs. Kyle Mayhall, of Indianapolis, Mr. and Mrs. Ward Mayhall and Mrs. Tarkington, of Greencastle, Mr. and Mrs. Walter Eads and daughter Emily Lou, and Mrs. Lula Mayhall, of Rosedale, were present for a basket dinner at the home of Mr. and Mrs. Ben Mayhall, east of Ladoga, Sunday.

Co-Workers To Meet Friday

The Co-Workers of the Baptist church will meet with Mrs. Glenn Rowland, 119 West Berry street, Friday afternoon at 2 o'clock.

Putnamville Ladies Aid Met Wednesday

The Ladies Aid of the Putnamville M. E. church held an interesting meeting Wednesday afternoon at the home of Mrs. Kate Whitaker. It was the first meeting of the year with the newly elected officers, who are as follows: president, Mrs. Rose Sublett; vice president, Mrs. Eliza Wamsley; secretary, Mrs. Minnie Lewis; treasurer, Mrs. Hazel Evans; pianist, Mrs. Adella Day.

The meeting was called to order by Mrs. Sublett, after singing "The Church By the Side of the Road," scripture reading and prayer, the business of the Aid was taken up. At the conclusion of the business session a son, "The Garden" was sung in honor of Miss Lizzie Connelly, who had been a member of the Aid for more than thirty years, and who died at the county hospital last Sunday and was buried the day before the

meeting. There were 18 members present and one visitor, Mrs. Mabel Dobbs, who became a member.

Assisting hostesses were Mrs. Odessa Marley, Mrs. Alice Collins and Mrs. Harrison. Refreshments were served.

Assessors Hold Picnic At D. V. Hurst Home

Assessors picnic was held at the home of Mr. and Mrs. D. V. Hurst, Monroe township, Sunday. Those present enjoyed the day, especially at the noon hour, when a bountiful dinner was spread on the lawn.

The afternoon was spent socially, with Mrs. Dean president pro tem. After calling the meeting to order the program was opened by singing. Readings were given by Mrs. Margaret Dean, Miss Olive Mae Dean, Miss Susan Jane Giger, Miss Margaret Bowen and Miss Lillian Faith Buis.

The following officers were elected: Frank Cooper, president, and Miss Elizabeth Padgett, secretary-treasurer. It was decided to have the next picnic at the home of Mr. and Mrs. Frank Woods in Floyd township on the second Sunday in September, 1934. The program closed by singing "God Be With You Till We Meet Again."

Those present were Mr. and Mrs. W. F. Giger, Asa and Susan Jane Giger, Mr. and Mrs. Frank Cooper, Mr. and Mrs. D. V. Hurst, Mr. and Mrs. Frank Wood, Mr. and Mrs. W. L. Barker, Mr. and Mrs. Henry O'Hair, Mr. and Mrs. W. Theodore Raab and son Forrest, Mr. and Mrs. Henry Woodall, Shirley and Robert Woodall, Mr. and Mrs. C. M. Furr, Mr. and Mrs. Charles A. Marshall, Mrs. Howard Dean, Virginia, Olive Mae, and Benny Dean, Mr. and Mrs. Charles Zeis, Mrs. Archie Allen and daughter Alice Anne, all of Greencastle; Mr. and Mrs. Lee Bowen, Margaret and Forrest Bowen, Mr. and Mrs. Oran Buis and daughter Lillian Faith, Mrs. Charles Newman, all of Coatesville; Mr. and Mrs. Glen

Key Reunion Held Sunday The third annual Key Reunion was held at the home of Mr. and Mrs. Morris Key on September 10.

The forenoon was spent in visiting. At the noon hour a bountiful dinner was enjoyed by all present, there being 48 relatives and neighbors.

In the afternoon lemonade and ice cream were served. The next reunion will be held at the home of Mr. and Mrs. Raymond Key on the second Sunday in September, 1934.

Mrs. Harris Gaston and baby returned to their home at Cloverdale Wednesday from the county hospital.

AUTO LAUNDRY, polishing and simonizing. Cars called for and delivered. Franklin Street Garage, Phone 68.

Faster, by Interurban PLUS Plane Service!

The Indiana Railroad System now offers faster service to Cincinnati, Chicago, St. Louis, Atlanta and other large cities at a distance.

By arrangements with American Airways, Inc., we provide through ticketing via Indianapolis, Louisville or Terre Haute to most of the great cities south, west and northwest. If time is important to you, ask our local traction agent for details as to speed, rates and service.

Frigidaire has NOT Increased prices

The new Frigidaire that uses less current than one ordinary lamp bulb

\$96

Plus freight—installation and Federal tax paid

Thousands have bought and are buying the new Frigidaire that uses less current than one ordinary lamp bulb. All former sales records have been shattered by the new Frigidaire line. Now raw material costs are going up. In spite of this, we will not increase Frigidaire prices until it is absolutely necessary to do so.

Come in and see the new Frigidaire today. Immediate delivery on all models.

Horace Link & Co.

THE STORE OF FURNITURE

CHEVROLET SALES
Domestic retail sales of Chevrolet trucks as reported by dealers for August were 68,650. This is an increase of 39,420 units, or 134 per cent over the same month in 1932, according to H. J. Klingler, vice-president and general sales manager of the company.

Domestic sales for the year to September were 441,405 units. Total sales for 1932 were 378,811. Thus sales for eight months of 1933 are those of 12 months of 1932 by 16.5 per cent. The original

sales objective for this year was set at 450,000 cars and trucks. A new quota, well above the 500,000 mark was set in June by Mr. Klingler when it became apparent that the upward trend of May and June was being sustained.

Not only did August distinguish itself by surpassing every month in 1932, but it was the fourth best August in the long history of the company being exceeded only by August of 1927, 1928 and 1929.

Particularly gratifying was the definite rise over July, indicating a continuation of the strong demand from the public which set in in May and putting August in second place for the year. Thus for it has been exceeded only by June.

How One Woman Lost 20 Lbs. of Fat

Lost Her Prominent Hips—
Double Chin—Sluggishness
Gained A Shapely Figure

If you are fat how would you like to lose it and at the same time gain in physical charm and acquire a clean, clear skin and eyes that sparkle with buoyant health.

Why not do what thousands of women have done to get rid of pounds of unwanted fat? Take one half teaspoon of Kruschen Salts in a glass of hot water every morning before breakfast and keep it up for 30 days. You can help the action of Kruschen by cutting down on pastry and fatty meats and going light on potatoes, butter and cream. Then weigh yourself and see how many pounds you have lost.

Kruschen Salts are a blend of 6 salts most helpful to body health. Best of all, a bottle of Kruschen Salts that will last you for 4 weeks costs but a trifle. Ask Mullins Drug Store or any druggist for a bottle and start to lose fat today. It's the safe way to reduce but be sure you get Kruschen—your health comes first.

ROCKING CHAIR LED TO BROKEN BONES
TILTONVILLE, Ohio (UP)—Using a rocking chair is not listed on insurance company casualty records as being a hazardous occupation, but it would be hard to persuade Mrs. Charles M. Johnson of that fact. Mrs. Johnson had to be taken to the hospital for several broken ribs suffered when she "waltzed" her rocking chair off the front porch of her home here, falling to the ground several feet below.

HEN DENTED RADIATOR AND BROKE AUTO FAN BELT
EDWARDSVILLE, Ill. (UP)—Dr. C. H. Diehl, returning recently from an emergency call into the country noticed the engine of his automobile was running a high temperature. He stopped for a diagnosis. A faulty metabolism, he mused. He found the fan-belt broken and his radiator badly dented. Searching for the cause he found it lodged between the radiator and license plate—a hen done to a turn.

SANDBURR MADE VOICE HUSKY

KEYSTONE, Iowa, (UP)—Walter Hilbert, 9, probably will go through life with a rather throaty, husky voice as a result of an experience with a sandburr that pricked his thumb.

The burr clung to the boy's thumb and he tried to remove it with his teeth. The burr slipped down his throat and lodged in his trachea.

Surgeons who worked through an entire night in an effort to remove it finally were obliged to administer anesthetics and operate.

The burr probably would have reached the boy's lungs with fatal results had the operation been delayed, they said.

PUTNAMVILLE WINS

Belle Union high school suffered its second straight defeat Tuesday when the Putnamville baseball team won by a score of 7 to 5. Taylor was the winning twirler and Medwick hurled for the losers. Friday Cloverdale plays at Putnamville in a county baseball league tilt.

BASEBALL RESULTS

American League
Chicago 3-2; Philadelphia 2-4.
Boston 3; St. Louis 1.
Detroit at New York (played at earlier date).
Cleveland at Washington (rain).

National League
Pittsburgh 1; Boston 0.
St. Louis 4; Brooklyn 1.
Chicago 2; New York 0 (second game postponed, rain).
Philadelphia at Cincinnati (rain).

CONSIDER PLANS TO BOOST SUPPLY OF HARD LIQUORS

WASHINGTON, Sept. 14, (UP)—Steps to increase speedily the supply of hard liquor available for "medicinal purposes" by importation and domestic manufacture are being considered by the treasury.

At the same time James M. Doran, commissioner of industrial alcohol, promised that an "adequate supply" of liquor would be available in December when the 18th amendment is expected to be repealed.

The immediate objective of loosening import restrictions on hard liquor and increasing allocations of domestic distillers already operating under licenses would be to meet increased drug store demand resulting from the lifting of quantity restrictions on medical prescriptions.

The treasury is being flooded with applications for new domestic distilling licenses, but cannot grant them until repeal becomes effective. It can, however, give additional allocations to distillers already licensed and is expected to do so next month. This would halt the rapid rise in the price of drug store whisky, which has resulted from the recent increased demand.

Doran's promise that the domestic hard liquor supply would be sufficient in December was based partly on the fact that 25,000,000 gallons of aged whisky is available in Canada and partly on plans for "rectifying" the bonded stocks in this country. Some 4,000,000 gallons of aged whisky now in warehouses could be increased to 50,000,000 gallons through "rectification"—mixing aged whisky with raw whisky or grain alcohol and water.

LOADED FORD V-8 TRUCK ON 5,000 MILE TEST RUN

A new kind of truck test run was started Thursday morning from Indianapolis when a stock Ford V-8 truck began the first lap of a continuous 5,000 mile economy test. This Ford truck is exactly the same as any truck sold to a purchaser. There are no special adjustments of any kind and there is no special equipment used in any way.

The truck is loaded with 2½ tons of merchandise, which is 66 per cent overload rated capacity, and is being hauled over a 1200 mile course at 40 miles per hour, 24 hours each day. The drivers are changed every eight hours. This is a real test of truck dependability.

In order to get accurate operating cost records during this test, a log

book is kept showing the mileage covered by the truck, the amount of gasoline taken on, the amount of motor oil used and the amount of water added to the radiator. The hood and gasoline tank are locked and are never unlocked except by filling station attendants or newspaper representatives.

The purpose of this test is to prove the economy of operation of the Ford V-8 truck which is gaining in popularity by leaps and bounds. At the conclusion of the first 5,000 miles, the V-8 Ford economy run truck, called the "Red Freighter" will be loaned out to business concerns in various cities in Indiana to be used in their own hauling service as in this way an opportunity is provided for the business house to learn at first hand of the economy of operation of the V-8 truck.

COLLECTING WOOD IS DOCTOR'S HOBBY
TOPEKA, Kan. (UP)—Dr. S. T. Millard has a unique hobby, that of collecting different varieties of wood. In his collection, which contains 700 various pieces of wood from all parts of the world, he has the lightest and the heaviest of wood.

There is a piece of balsa wood from South America, the softest and the lightest wood known; the lignum vitae from the West Indies is the heaviest.

The large assortment of wood are small slabs, usually about 2 1/2 by 5 inches. An index file is with the collection giving all the data ever known about the material.

Public Sale!

FREAK CALF ATTRACTS CONSIDERABLE ATTENTION

LEOTI, Kan. (UP)—Normal only in its frisky playfulness, a calf born on the William McMillen farm north of here is attracting considerable attention.

It has three eyes, two noses, four nostrils, two tongues and an extra big mouth. The third eye is between the two in the usual places. The oversize mouth is used to good advantage as the calf takes a milk ration far above normal.

BEHIND THE SCENES in HOLLYWOOD

HOLLYWOOD—All the bad luck in the world to that racing man in Cleveland who is giving out interviews that he is an ex-husband of Marie Dressler's.

Nearly every star in the business has been victimized by such phobias, but it's a shame to bother Marie, who needs every ounce of her strength to complete "The Late Christopher Bean."

How swell she was about it too! A suspicious editor of a Cleveland newspaper telegraphed:

"Racing man here (giving name) says in interview that he was married to you at Weatherford, Texas, and divorced six years later."

With that forgiving nature and saving sense of humor of hers, Marie wired back:

"Statement untrue in every respect, but I am very tired and need a long rest, so if his horses are running well and he has two million dollars or so I might consider his proposition at this time."

One of the better known lyric writers recently was assigned to a picture very similar to Warner Brothers' "Forty Second Street."

As Mannie Seff tells it, the producer came to the writer and suggested: "Why don't you do us a song like 'The Shadow Waltz'?"

Whereupon, in a squeal elegant, the writer came back:

"Listen, you're writing 'Forty Second Street,' not 'The Goldiggers'; stick to it!"

Here's a hot one. The eastern antics of Huey Long are keeping Warner

Brothers writers at top speed adding sequences to "The King Fish." On the day after it happened, that fisticuff episode was in the script. Now, the loud Louisianan's plan to rent Madison Square Garden has joined it.

Newlyweds Dorothy Lee and Marshall Duffield don't believe in separate bank accounts. They'll put their weekly checks—hers as an actress and his as an assistant director—into a common fund. Another odd angle for a Hollywood marriage. Marsh must leave Dorothy at home three nights a week. He goes to law school.

Quick Glimpses

What on earth was the idea of novelist J. P. McEvoy secretly flying out here under the name of John Phillips? He was spotted, anyway, on his first day at the Paramount lot. . . . That loud buzzing of talk at the Colony Club was caused by the appearance of the Countess Di Frasso with William Powell. What with Carole Lombard going places with Gary Cooper, the gossips got quite a thrill. . . . Stay on the Mae West set and sooner or later you'll see the whole cinema world. Harold Lloyd was the latest to succumb to curiosity.

A trained nurse accompanies Claudette Colbert to Honolulu. The studio is taking no chances. . . . A local attorney, Mike Medigovich, is Mae Murray's shadow these nights. She calls him "my lawyer man." . . . Eleanor Hunt and Dr. Frank Nolan are touring the late spots together. . . . And Nick Stuart has been taking Helen Godwin to the Miramar. . . . That baby party Helen Twelvethrees is giving for Jack Woody, Jr. will be a gala occasion for the photos. Children of many celebrities will be there.

Did You Know—

That Cecil B. DeMille always carries a pocketful of gold coins, dated 1881, the year of his birth?

William P. Lockridge, Executor, Sept. 6, 1933.

Cause No. 7561.

Attorney, Albert E. Williams, John W. Herod, Clerk of the Putnam Circuit Court. 7-3t.

VALUABLE ENGRAVINGS

OWNED BY PHILADELPHIAN

PHILADELPHIA, (UP)—An original copy of "Icones Biblicae," by the Swiss engraver, Matthew Merian, and

published in Germany in 1625, is now in the possession of Mrs. Margaret A. Merian, of Philadelphia, whose late husband received it in a direct line from its creator.

The copy contains 200 line engravings on copper, and are produced with a profusion and clarity of detail. They portray Biblical events in their order of appearance in the Bible.

Merian, the engraver, was born at Basel, Switzerland, in 1593, and died at Schwalbach, June 19, 1650. The present Mrs. Merian's husband was an importer of ostrich plumes. Her son, Albert with whom she shares possession of the engravings, is a commercial artist.
